A NOTE FROM US:

Hey Parents,

We are so excited about what God is doing in the Children's Ministry at Buck Creek Baptist Church. Our Team Kid ministry on Wednesday nights has launched with a huge success. Halie and our team are doing a wonderful job. Please help us by waiting until 7:45 to pick your children up. During the last 15 minutes, often times our leaders are wrapping up a very important part of their lessons. (continued on page 2)

Faith and Family Night Idea:

Pick one night this month and, after having a family dinner, clear the table and then fill it with supplies to make cards. You can supply cardstock, construction paper, markers, glue, scissors, glitter and anything else you can think of. Have everyone bring their Bible to the table! Encourage every family member to find a verse about love in their Bible (you can even have a few verses written down in a list to help them out, but have them find it in their Bible). Encourage everyone to think of one person they aren't related to in our church that they love. Then, have each person decorate their card, being sure to include their verse about love and a special note about what they love about that person! Deliver the letters on the following Sunday morning.

Family Devotion: February 2018

As I taught back in December, it is our job to “Leave a Legacy” for our family. This month, talk about Matthew 5:23-24 and 6:14-15. Forgiveness is so important in the lives of disciples. Talk with your children about how we forgive others and they can forgive others as well. This is a great opportunity to talk about why we forgive. Our heavenly Father has forgiven us so much, we must forgive others.

It is our honor to serve you and your children. Please contact myself, Halie Medlock, or Brittany Eison if there is anything we can do for you or your children. And finally, bring your children on Wednesday nights and Sunday mornings. We want to partner with you as you strive to make true disciples of your family! – Barry Felton

A Valentine's Day Event designed to explore God's love. What does God's love look like? How do we know He loves us? How should we love others? Join us to find out!

February 16th, 2018

Parents are invited to drop off their kids at church for a Valentine's Day Event designed specifically for them. This will provide parents with an opportunity to go out to dinner or just spend a few hours together, kid free, on Valentine's Day weekend! We will be providing dinner for all of the children. We will also play a few fun games, but most importantly, we are going to explore God's love! We are going to dig into our Bibles to discover what God's love looks like and to answer some important questions about love like:

- ~ How do I know God loves me?
- ~ Why does God love me?
- ~ Will God always love me, no matter what I do?
- ~ Do I have to love everyone? Even the people I don't like?
- ~ How should I love other people?

The only thing your children will need to bring with them is their Bible! Drop off and pick up will take place in the Family Life Center! Kids are invited to bring a friend!
