Gospel Project Memory Verse of the Month:

“Therefore, if anyone is in Christ, he is a new creation; old things
have passed away; behold, all things have become new.” – 2
Corinthians 5:17

Faith and Family Night Idea: Make family meal time important this month. Choose one night out of each week this month to set aside as a faith and family night. Take turns allowing one member of the family to “plan” the dinner. Let that child or parent choose what you will eat for dinner and dessert and have that person be in charge of choosing and telling a Bible Story during dinner. They can prepare ahead of time by reading the story and learning it well enough to tell it themselves or they can read the story to the family from the Bible or a Storybook Bible! Talk as a family about what God teaches us in the story you heard. Seek to engage in meaningful conversation with your family. Quality time in God’s word is essential to a family on Mission with Christ!

Family Devotion: May 2018

Dear Parents,

What a year our Children's Ministry has had. I want to commend Brittany Eison and Halie Medlock and their staff of Children's Workers.

Now I hope you'll have your child be a part of all of our summer activities including VBS and Children's Summer Choir Program! Devotion for the month: Genesis 2:15-24. Parents, read this story with your child. Note that God cares so much for Adam that He gives him a family. Family has been God's plan from the beginning. This is a great time to talk with your child about how God made man and woman distinctively different and wonderful. Also, you can discuss that God's plan for marriage has always been one man and one woman. In our culture as you know, this is not what society is teaching. God bless you as you disciple your family. It is a joy to see God working here at Buck Creek Baptist Church. Please contact me if I can be of any assistance to you and your family.

Sincerely, Barry
