

GRACE CHURCH 90-DAY TITHE CHALLENGE

What is a Tithe?

A **tithe**—which just means “tenth”—is defined as the first 10% of a person’s income that is to be given back to the local church. Tithing is a principle that is taught throughout the entire Bible. When we tithe, we are expressing worship in a tangible way by putting God first in our lives.

Why Would I Tithe?

For many, the idea of bringing the first 10% of our income to the Church seems overwhelming. The thing is, it doesn’t matter how much or how little we make, God promises to pour out blessings on us when we tithe. Tithing is about training our heart to trust God at His Word.

We know generosity is a huge step of obedience, but you’re not in this alone! We want to know you’re taking your next step in generosity by bringing your full tithe to the church with [The 90](#)–Day Tithing Challenge.

The Bible says we can take the promises of God to the bank. When we bring our first and best back to God, He promises to bless the rest. We can’t outgive God.

We commit to you that if you tithe for three months and God doesn’t hold true to His promises of blessings, we will refund 100% of your tithe. No questions asked. Yes, we believe that much in this principle and God’s promises!
