A bit about us.....

It is a Friends tradition to believe in the *continuing personal revelation* of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This time for reflection and "centering" on God, may include people sharing what God has done or is doing in their lives.

² After six days Jesus took Peter, James and John with him and led them up a high mountain, where they were all alone. There he was transfigured before them. Mark 9:2 NIV
