A bit about us.....

It is a Friends tradition to believe in the *continuing personal revelation* of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This time for reflection and "centering" on God, may include people sharing what God has done or is doing in their lives.

27 "Now my soul is troubled, and what shall I say? 'Father, save me from this hour'? No, it was for this very reason I came to this hour. John 12:27 NIV
