*Our desire is to know Christ more each day and to make Him known to others. We pray each one who attends today will receive practical insight from the Lord into daily living whether through music, fellowship, personal reflection or preaching.*

**A bit about us.....**

While we have a pastor who brings a message each week, it is also a Friends tradition to believe in the continuing revelation of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This is a time for reflection and "centering" on God. During this time we may simply be quiet before Him or individuals may share thoughts relating to what God has done or is doing in their lives.

**Summer Shorties**

For the summer months, I am focusing on shorter messages. The space below will be reserved for notes. Most sermons will focus on two main points during this time. Some Sundays will not have power points. This is not a compromise but a time to focus easily recalled nuggets with less verbiage.

LOOKIN GOOD IN THE ANY NEIGHBORHOOD  
 Philippians 4:8

The disciple of Christ "thinks" virtue ...

The disciple focuses on what is praiseworthy...

... the Apostle concedes a place to the word, (*virtue*) so to speak, as if to extend in every direction the view of what is right in action. ...[*any praise*] "Whatever praise there is," justly given by the general human conscience. It is not good to do right for the sake of the selfish pleasure of praise; but it is right to praise what is rightly done, and such praise has a moral beauty...
