A bit about us.....

It is a Friends tradition to believe in the *continuing personal revelation* of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This time for reflection and "centering" on God, may include people sharing what God has done or is doing in their lives.

24 But Jesus would not entrust himself to them, for he knew all people. 25 He did not need any testimony about mankind, for he knew what was in each person. John 2:24-25 NIV

More from Friends in our area

Amboy Friends sent a missions team of 15 to work on a Christian School in Belize. The English speaking country of 350,000 people is approximately 70% young people making it fertile for the Gospel. It was a great time of work, fellowship, and relationship building. The team is grateful for all of the support and prayers that were provided to them. God is on the move! Also, Amboy Friends held a church retreat at Quaker Haven last weekend which included a great time of fellowship and doing some painting and clean-up for the camp. They were spiritually fed and challenged by pastor Jack Holliday to grow more "intimate with Jesus" and "acquire a stronger desire to reach the lost souls in our world."

A big THANK YOU goes out to anyone who supported, counseled, served, and prayed for our camps at Quaker Haven this summer. In total, we had 530 campers, and we gave them the opportunity to have Christ REWIRE their lives! Please be sure to ask those from your church, whether they were campers, counselors, or staffers to tell you their favorite 2017 camp story. Also, please keep praying that God would allow the love, grace, and truth that was experienced at camp to now flow into our IYM churches and their communities! May the amazing things that happened at camp be a beginning for what God will do next!

IYM Superintendent, Doug Shoemaker continues to appreciate Hemlock serving as prayer partners in his ministry. Please also pray for the locations/events he will be at.
