**A bit about us.....**

It is a Friends tradition to believe in the *continuing personal revelation* of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This time for reflection and "centering" on God, may include people sharing what God has done or is doing in their lives.

*<sup>6</sup> He asked me, "Son of man, do you see this?" Then he led me back to the bank of the river. <sup>7</sup> When I arrived there, I saw a great number of trees on each side of the river. <sup>8</sup> He said to me, "This water flows toward the eastern region and goes down into the Arabah,<sup>[a]</sup> where it enters the Dead Sea. When it empties into the sea, the salty water there becomes fresh. <sup>9</sup> Swarms of living creatures will live wherever the river flows. There will be large numbers of fish, because this water flows there and makes the salt water fresh; so where the river flows everything will live. <sup>10</sup> Fishermen will stand along the shore; from En Gedi to En Eglaim there will be places for spreading nets. The fish will be of many kinds—like the fish of the Mediterranean Sea. Ezekiel 47:6-10 NIV*
