BUILDING UPGRADES UPDATE

Funds to roof the parsonage and to put a new furnace in the fellowship hall have **continued** to come in beyond the time we quit announcing! Offerings now total (as of Wednesday) **\$12,700!** God's people are faithful and **God's resources are great!** We are able now to do these two "out of pocket"!

These are huge steps toward long term maintenance of our property. Furnaces are now quite updated. There is already proactive planning to roof the church in the future. This may be done in stages. One portion needs attention soon and may be completed due to our **solid giving.**

Praise God from whom all blessings flow!
