STEWARDSHIP

July 27, 2014

	<u>Attendance</u>		<u>Offering</u>
Sunday School	14	\$	19.00
Morning Worship	18	\$	

Our desire is to know Christ more each day and to make Him known to others. We pray each one who attends today will receive practical insight from the Lord into daily living whether through music, fellowship, personal reflection or preaching.

When the people heard this, they were cut to the heart and said to Peter and the other apostles, "Brothers, what shall we do?" The radical idea of the word is given in the simple verb *ύσσω*, to prick with a sharp point. So Homer, of the puncture of a spear; of horses dinting the earth with their hoofs, etc. Here, therefore, of the sharp, painful emotion, the sting produced by Peter's words. Vincent's Word Studies Acts 2:37
