*Our desire is to know Christ more each day and to make Him known to others. We pray each one who attends today will receive practical insight from the Lord into daily living whether through music, fellowship, personal reflection or preaching.*

**A bit about us.....**

While we have a pastor who brings a message each week, it is also a Friends tradition to believe in the continuing revelation of God to all His people. In our worship service you will find a time some call "open worship" or "quiet waiting". This is a time for reflection and "centering" on God. During this time we may simply be quiet before Him or individuals may share thoughts relating to what God has done or is doing in their lives.
