## SAY HELLO TO FRAN!

Four indispensable elements of harvesting.

### PREPPING

My HEART

His Holy Spirit

### PLANTING

Dirt

### DIGGING

We avail ourselves to opportunities.

- Service toward salvation.
- Affirmation balanced with assertion

### ASSESSING/"CHECKING"

### LOOK

"white unto harvest"

### LISTEN

<sup>29</sup>The Spirit told Philip, "Go to that chariot and stay near it."

We watch under the Master Gardener's direction.

If no visible sign – we keep watering!

### ACTION/COMBINE

We get the crop in the barn!

### FACT

It is an honest crop.

- Grace with Gospel
- Love with Law

### FAITH

A sinner saved **by** the cross leading another sinner **to** the cross.

## **TAKING IT HOME**

Pray for all four elements.

Pray for my role in each.

Pray for FRAN!
