

It's Harvest Time!

John 4:28-42

10/18/15

As we go through another harvest season, let us grab a couple lessons from the creator Himself!

THERE IS A HARVEST

- ALWAYS.
- People need JESUS CHRIST.
- Some people will LISTEN.

WE NEED HIM FOR VISION

- HE is harvest focused!
- We **fuss** and **whine**.
 - He **finished** the **work**!
- We seek **spending** and **saving**.
 - He sought to **spend** Himself to **save** us!

OUR GROWTH AREA

- We do not NATURALLY think harvest.
- We get DISTRACTED when away from Him.

We share His passion only in step with our closeness to Him.

TAKING IT HOME

- Let's monitor and motivate the "crop".
- Let's harvest what is ready.
