Crank The Care II

Our vision for the world and its vision of us
An imbedded series within the *Oh My Amazing God Series*
Matthew 9

Last week we shared how passive we tend to be in truly caring for our friends. Today we look at **two factors** that increase our “careidity” (our level of sincere concern for others).

1. GROWING LOVE FOR HIM

- Feeling HIS COMPASSION for me.

He cares DEEPLY about EVERYTHING in my life.

- Appreciating His REDEMPTION of me.

His compassion led to EASTER passion.

2. MEANINGFUL TIME WITH OTHERS

- ASSESSING (truly seeing) EMOTIONAL and physical needs.
- ASSERTIVELY seeing SPIRITUAL needs

It was not out of fatigue that He pled for better vision and more workers. It was because of His compassion and our continuing need!

Father, raise my “careidity” through,

1. Growing my infatuation with YOU

(Become a dominating presence in my life and thoughts.)

2. Meaningful infiltration with my friends

(Help me to be a caring presence in lives.)

“Help me to pull the two together increasingly as the days go by.”
