Greetings from your new Administrator! My history begins in Rawlins, Wyoming where I lived with my parents and three siblings until 1999. I then moved with my parents to Gillette, Wyoming where I attended high school. After graduating from high school in 2002, I continued my education at DeVry University in Denver, Colorado. After graduating with a BA in Computer Information Systems I decided to further my education at Trinity Bible College where I received my second BA in Business Management in 2007. For the past 10 years I have worked at Badlands Power Fuels, now Nueverra, in many different positions ranging from mechanic and welder to inventory control and IT. As I prepare myself for the coming school year I am excited to meet each student along with their parents. I want to open my door to anyone who wants to get to know me. I want to get to know you as well. I am grateful for the abundance of support I have received as I have stepped into this new position. I would like to ask for everyone's continuing prayer not only for myself, but for the students and staff. We have a wonderful team that desires to see each student excel in everything they do. This is going to be an exciting year with many challenges and full classrooms. There is comfort in knowing that we are never alone as long as we keep Christ first in every situation. He is ultimately in control. Thank you for giving me this opportunity to serve and to see your children grow into men and women of God.

Hebrews 10:22-23

²² let us go right into the presence of God with sincere hearts fully trusting him. For our guilty consciences have been sprinkled with Christ's blood to make us clean, and our bodies have been washed with pure water. ²³ Let us hold tightly without wavering to the hope we affirm, for God can be trusted to keep his promise.

Spring Clean-A-Thon 2017

The Spring Clean-A-Thon was a huge success. We were able to clean 4 miles of Highway 23 and also cleaned up the ditch and cemetery by JCCA. The weather was warm, but very windy.

Thank you to all the parents and staff for doing such a great job! The final amount raised was \$46,220.

We look forward to doing it again next year.
