INFORMATION

&

APPLICATION

Dear Ministry Student Applicant,

Thank you for considering The Healing Place SCHOOL OF MINISTRY!

We are starting with a new group of first year students with an emphasis on Spiritual Leadership while our second-year students are focused on taking the next step into Missional Living. We are thankful for what was accomplished in 2017; it marked the year of our first graduating class - 14 students graduating! 2018 brings a new season and new year for The School of Ministry beginning Saturday, January 13th at 6:30 pm.

We are breaking ground by training, equipping and preparing people who want God to activate their call and set it in motion. Through this School of Ministry, our plan is to infuse students with a desire to choose to become world changers and leaders in revival. We desire that mighty soldiers and generals will arise as they encounter the presence of God.

We are striving to promote development of the student's God given gifts that will cultivate God's Presence and bring healing to impact the world, thereby advancing the Kingdom of God.

Our Lead Pastor, Scott Ethridge, carried the vision for this Training Center for many years. The School of Ministry is simply the first step of that vision; we have received many confirming words that line up with this vision that one day there would be a Training Center, not just a School but a Center. It has been set in motion through the School of Ministry and is now moving into its' third year.

We are excited that you desire for the *more* that God has for you; to BE who God created you to be, to KNOW what God is saying, and to DO what God says. Following Jesus really is all about Being, Knowing, Doing; we believe you are different for a purpose!
