All Things New What does it look like when everything becomes new? What does it mean to be a new creation in Christ Jesus? We begin **2018** with an insightful message series **"All Things New"** in which we discover who we are as a new creation, what God means by **"He will do a new thing"** & the hope we have been given for a new heavens & a new earth. You will not want to miss this prophetic declaration over **2018**; this will be an incredible way to start the new year, **"behold all things become new!"**

Bob Sorge Sunday, February 11 He is "the speaker who can't talk" - that is, he is reduced to a whisper because of a debilitating vocal injury he suffered over 20 years ago. Through the journey, God has given him an empowering message that explores God's purposes in fiery trials. It's not the fire that changes you but your pursuit of God in the fire that changes you. Bob has a unique way of helping us process our journey so we stay in the race & overcome. Whether you're reading one of his books or listening to him, you're about to receive a word from the heart of God that will strengthen your faith & draw you into greater intimacy with Jesus.
