

Community VBS

20 min sessions each station, 5 minutes change time. Times are examples and can be changed accordingly to the time frame agreed upon by all churches. Date: Saturday June 23rd at River Park. Tentative Rain Plan: CS Brown Gym

Rotate age groups so only one group per tent at a time. If we have large numbers in the groups we can split them into two groups of the same age and still have wiggle room with the rotations without doubling up
