

MINISTRY OPPORTUNITY HERE IN WEST CHOWAN

Calling all Saints of the West Chowan Baptist Association: One of our smaller churches has requested help from her sister churches. The following describes the needs and the church requesting help:

- 1. The church is Potter's House Baptist Church located in Windsor, NC. The church has approximately 16 members with an average attendance of 14 each week and has very limited funds to complete the work needed on their facilities.**

- 2. The needs are as follows on both the parsonage and church building:**
 - There is a need to replace the shingle roof on the parsonage with a metal roof. Both material and labor are needed. Currently the roof, on the parsonage, has several leaks posing real problems for the pastor and his family.**
 - There are roof leaks in the sanctuary that needs repair and those same leaks are causing repair needs in the ceiling inside.**
 - There is a need to do some concrete repair to the stoop walking into their building.**
 - There is a need to have outside lighting in their parking area.**

Their pastor understands everyone has their own needs, but doesn't know what else to do, but to leave it the hands of the Lord and share the need. If your church is interested in helping with these needs please contact Pastor Robert Barmer at 252-862-6716 or rebarmer@gmail.com.
