## ABOUT

I grew up in a Christian household, but it wasn't until my junior year at Meredith College that I truly understood the Gospel and fully surrendered my life to Christ. By God's grace, He put a friend around me that year who was involved in the ministry of Campus Outreach, who shared the Gospel with me and showed me what it meant to live the Christian life with Jesus in my place. In the years following, I learned to grow in my walk with Christ through the reading of the Bible, and by the community and teaching of Campus Outreach and the Summit Church. I was involved in the ministry and was on the student leadership team my Senior year. Later, I moved to Kenya with Campus Outreach and then I did international ministry at UNC for 2 years. God used and is still using Campus Outreach to drastically change my life and I am excited to work for them to see Him do that in other college student's lives.

## WHO IS CAMPUS OUTREACH?

Campus Outreach (CO) is a college ministry whose mission is to "glorify God by building laborers on the campus to advance the church in the lost world." We see that evangelism and life-on-life discipleship is the key to establishing and equipping believers on the college campus. Our desire is to see God glorifying laborers be sent out all around the world with the message of the Gospel.

Campus Outreach comes under the authority of the local church. For Campus Outreach Raleigh, the Summit Church is the hub church, so we come under the leadership of the Summit Church. CO Staff are support-based, that means every staff member raises 100% of their funds needed to be full-time, paid employees.

## WHAT DO I DO?

My title with Campus Outreach Raleigh is Campus Staff at UNC-Chapel Hill. My job is to meet new students, forming friendships with them in hopes to share the gospel. This is actually where the bulk of my time is spent. I mainly facilitate spiritual growth with student leaders, lead Bible studies with non-Christians, and lead a discipleship group.
