

FOOD FOR THE SOUL FELLOWSHIP

Have you felt like you need a boost of energizing encouragement and personal involvement, in a friendly, loving atmosphere where women share “their hearts stories “and where prayer is always offered as the recommended “solution for the needs of the weary soul?” If this is what you are seeking, the women of FBCFO want to invite you to join them on a Saturday morning (dates to be announced). You will be warmly greeted with a Pot Luck Meal to comfort your tummy and enjoy a time of Food for the Soul Fellowship. Please come, invite a friend, and join us for this casual time of spiritual enrichment. This is an Outreach provided to bless your Soul and show you God loves you, and so do we.

Dates for this event will be announced as they are scheduled.
