"Moving People Toward Christ"

July 23, 2017

Prayer - The Essential Privilege #2 - "Power Of Prayer"

In a recent Gallup Poll 82% of adults pray weekly and say that prayer is important. Yet when asked if they find prayer satisfying they answer "no". When asked if they think that God answers prayer they also answered "no".

Prayer ranks high on surveys but low on satisfaction. In theory it is a wonderful point of contact with God, but in practice it can be confusing and frustrating.

*Why the disconnect? What if we've gotten it all wrong?
What if prayer is not just about getting God to do stuff?*
