Discovering God's Will For 2018

Pastor Tony McQueer

There are times when God leads us in a way that is clear and obvious, and there are other times when life is a journey of faith. This we do know for certain: as Followers of Christ we are not victims of chance. God has a plan for our lives and has a will that He wants to reveal to us. There are principles from the Bible that will better enable us to discover, know, and walk in the will of God that He has for us. The good news is that God does not play hide-and-seek. He is more interested in revealing His will to you than you may be in knowing what His will is!
