Killing Kryptonite

Week #8 - "Killing Kryptonite Complete"

Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a Kryptonite that steals our strength.

Of course, both Superman and Kryptonite are fictional. But Spiritual Kryptonite is not.

This Sermon Series offers answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians.

In Killing Kryptonite, we reveal what this Kryptonite is, why it's compromising our communities, and how to break free from its bondage.

Not for the faint of heart, Killing Kryptonite is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation.
