From the Pastors Desk

We are well on our way into 2019 and the opportunities for our church keep getting greater and greater! There are a number of events revolving around women's and men's ministries that I hope you will take advantage of in February and the months that follow (*these are listed in the newsletter, bulletins, and be sure to check out our web site too*). Our study in the Gospel of John on Sunday mornings has been a tremendous blessing to me because the response from our congregation has revealed that many are growing closer to the Lord. The Wednesday Bible study continues to take us through the book of Hebrews and the responses there have been wonderfully inspiring as well! Our youth and children's ministries on Wednesday nights are also on the rise, thank you for your prayers for families to see the value in these discipleship opportunities for our young ones.

Currently we are planning a vision trip for missions to Guatemala in March, a youth Deep Impact mission trip for this summer, mission trips to Bladen County for rebuilding homes where 450 families are still displaced, and local missions through our Sunday School classes right here in Murfreesboro (*Operation In As Much dates for these Sunday School local missions will soon be posted*).

Our focus remains on "Who is your one"! Let's be faithful to identifying, praying for, inviting, encouraging, and witnessing to the one the Lord has placed in your life that is far from Him!

Lastly, we would like to begin sharing this monthly newsletter with as many people as possible through email rather than mailing paper copies. We will continue to mail the paper copies. But for anyone that would be willing to receive it via email instead we need your email address. **You can sign up for the electronic newsletter on our web site at www.MeherrinBaptistChurch.com**. Simply scroll down on the homepage and click on the icon that says "email Newsletter Sign up" (it has the image of an envelope beside of it). Our reason for this is two-fold: 1) some people will prefer this mode 2) it will be a cost saver for the church. For example, if only half of the people who currently receive the newsletter opt to have it delivered in email that will save the church over \$500 a year in postage alone. Thank you.

Praise the Lord for our newest members Caroleen Woodard (by letter), Colleen Curley and Lance Eubank (by baptism)!

May the Lord find us faithful,
Pastor John
